

1.6 Vti Honda Civic 3 door hatchback (EK4)

One of few entirely unmolested EK4s - totally standard, unspoilt and unabused; in really good condition.

11 months MOT,

6 months tax,

Rust free,

B16A2 engine with 160bhp as standard,

Replacement gearbox and new clutch – no crunches,

New exhaust centre section,

Ideal winter project for the Civic Ecosse Challenge!

£2000 ono

Any questions, feel free to call and ask (07919 101582 / 07872 048297).

Alternatively, for those who don't fancy a long, cold winter in the garage, a professional build to your specification (at sensible rates) can be discussed...
