

## **Honda Civic Shells & Donor Cars**

Ian Hunter of St Boswells Mowers has gathered together a selection of Honda Civic EK models – mostly 3 door hatch – plus a Spoon caged shell.

If you are looking for a “donor car” to use as shell to build a car for our Civic Challenge, or for other parts then you should contact Ian

01835 824555 (Work) or 07711587894
